- Coordinates Teacher Appreciation Week
- Makes college field trips possible

The Fall Creek Valley Parent-Faculty Organization (PFO) focuses on enhancing the educational opportunities and experiences of students by encouraging participation and cooperation between parents and school staff. All students learn best when a partnership exists between home, school, and community.

The PFO is made up of parents – like you! As a FCV parent, you are automatically part of the PFO. We understand that with work, school and all that fills our lives, little time is left for much else. But think about the importance of being involved at your child's school. It makes a difference!

We invite all FCV parents to attend the PFO meetings held on the 2nd Tuesday of each month at 6 PM in the media center. This is a wonderful way to stay current with what's happening at FCV and in the district. In addition to the meetings, there are many ways to become involved and be a part of the PFO including volunteering and lending financial support.

We want to be a resource for you here at FCV, and we hope to make the most of your experience as a FCV parent. Please feel free to contact us with any questions!
